future

Do you have the ability and desire to lead and foster a positive health and safety culture with your technical knowledge in forestry wood measurement?

The Saskatchewan [Ministry of Environment](#) has a great opportunity for a Scaling Specialist in the [Forest Service](#) Branch, located in Prince Albert. The ministry takes a team-based approach to protect Saskatchewan's environment for the well-being of the province, its people, and its future. We use science-based solutions and environmental laws to help safeguard communities, protect our air, land, water, and habitat. We are committed to providing superior citizen and client satisfaction through workplace excellence, continuous improvement, and innovation.

Our Scaling Specialist supports the sustainable growth of Saskatchewan's Forest sector across the province.

Responsibilities of this position include operation of a 4-wheel drive pick-up truck and all-terrain vehicles in off road conditions, as well as fieldwork year-round and travel throughout Saskatchewan including remote locations.

Typically, the competencies required for this position can be achieved through a Bachelor of Science degree in forestry with significant experience in forest operations and scaling.
