## Summer Terms – Forest Service

Ministry of Environment  
Non-Permanent – Prince Albert, SK

Explore  
your  
future

Saskatchewan's forests – a great place to work!

Did you know that more than half of Saskatchewan's land base is covered by forests? If you have always wanted a forestry summer job where you can make a positive difference for the environment, joining the team at Saskatchewan Ministry of Environment's Forest Service in 2024 will put your skills and education to work!

There are many opportunities for forestry/natural resources students and recent graduates here in Prince Albert, Saskatchewan including 4 month summer terms, co-op terms (4 and 8 months) and extended summer terms up to 9 months if you are not returning to school in the fall.

### Skills You Should Have:

- You should be familiar with use of field navigation tools (compass, GPS, paper and digital map products).
- You will have a basic forest ecology, basic statistical principles, forest harvesting operations, silviculture operations and know how to identify boreal forest trees, shrubs and herbs.
- You will be familiar with basic GIS skills needed to produce field maps and basic office software like Word and Excel.
- You will have the ability to work well in a team environment, communicate effectively, and collect field data neatly and completely.
- Having a valid First Aid training is considered an asset.

The Forest Service offers exciting summer job opportunities in our silviculture and forest inventory programs.

This posting will remain open until all term positions are filled.
