### Join the Saskatchewan Ministry of Environment as a Timber Scaling Specialist!

Are you passionate about sustainable forestry, environmental protection, and making a real impact on the forest sector? The Ministry of Environment is offering an exciting opportunity to join our Forest Service Branch as a **Timber Scaling Specialist**. Our team-based approach ensures that we protect the environment for the well-being of the province, its people, and its future. We leverage science-based solutions and environmental laws to safeguard communities, air, land, water, and habitat.

We are looking for someone who is dedicated to excellence, innovation, and continuous improvement to help us maintain a sustainable and thriving forest sector.

As a **Timber Scaling Specialist**, you will play a vital role in shaping the future of the forest industry in our province.

#### Qualifications:

- **Education:** Bachelor of Science degree in Forestry or a related field with significant experience in forest operations and scaling.
- **Licensing:** A valid driver's license and eligibility for registration as a Registered Professional Forester (RPF) within three years of starting. A current scaling license or permit is an asset.
