

Second Pass Forestry Ltd.

Job Opportunity:

RESOURCE PROFESSIONAL or SENIOR LAYOUT TECHNICIAN

Location: Kamloops, BC

WHO WE ARE

Second Pass Forestry Ltd. (SPF) is a diverse natural resource management company providing a full complement of operational services for natural resource management in BC. Our goal is to provide sustainable and efficient resource management practices that enhances and sustains the environmental, economic, social, and cultural values of all members of the public. We believe innovation is essential and explore testing new technology that challenges the status quo.

DESCRIPTION

We are currently recruiting Professional or Senior Technical Forestry Personnel to assist in our Resource Development, Vegetation Management, Wildfire Risk Reduction Projects and First Nations Referral operations.

This role has you working with a team of professionals responsible for all timber/natural resource development activities. A foundation of technical field and leadership skills are important to assist developing project-based work in our dynamic and diversified business. Success in this position involves the ability to self manage and work independently when needed.

DUTIES

As a Resource Professional/Senior Layout Technician you will be responsible to provide technical expertise in all aspects of our multi-disciplined projects including but not limited to:

- Professional Document Development
- Block and Road Layout
- Timber Reconnaissance Surveys
- Timber Cruising and GPS Data Collection
- Eco Typing/ Silviculture Prescriptions
- Stream and Wetland Assessments
- Silviculture Surveys
- Wildfire Risk Reduction Projects
- First Nations Tenure Management, relationship building with community leadership and natural resource leadership.
- Apply FRPA and FSP requirements to ensure that resource development is compliant

QUALIFICATIONS

- Commitment to maintain a safe work environment without compromise.
- 3 + years relevant forestry/natural resource development experience.
- Registered with the ABCFP or currently eligible to be registered with the ABCFP is preferred and considered an asset.
- Physically fit, organized, willing to work in ALL weather conditions and potential camp work.
- ATV and snowmobile riding experience.
- Good working knowledge with computers (MS Excel, Word and Outlook).
- Excellent oral, written and interpersonal communication skills.
- Valid Driver's Licence.
- Ability to deal with conflict, recognize problems and correct them immediately.
- Take personal responsibility for timelines and quality of work.

SALARY

Compensation is commensurate on experience and qualifications.

If you are interested in being part of our team, safety conscious and ready to apply your knowledge, please email your resume and cover letter to INFO@SPFL.CA

All submissions will be treated in strict confidence. Only qualified candidates selected for interviews will be contacted.
