

Employment Opportunity – Area Supervisors

Silvatech Consulting Ltd., established in 1983, is a progressive developer of technological solutions in forest resource management. The Silvatech Group provides professional services in full-phase timber development, waste and residue services, resource inventories & mapping. Silvatech is accepting resumes for the positions of **Area Supervisor**. The positions requires a senior resource forester (RPF) or technologist (RFT) to oversee **timber development** and **waste and residue surveys** in the south central and central regions of BC. We are a family friendly company. The positions are full-time based at Kamloops and Prince George BC. We offer competitive remuneration and benefits commensurate with experience and responsibilities. Base range \$80 – 90,000 annually plus benefits.

Preferred Qualifications:

- Professional Forester (RPF) or Registered Forest Technologist (RFT) in BC
- Experienced in timber development in BC
- Experience with waste and residue surveys in BC
- Efficient and safety conscious with field operations and equipment
- Good written and interpersonal communication skills in English
- Good people / team player skills
- A mature, teachable, flexible attitude
- Good technology/computer skills
- Valid BC drivers license

Duties and Responsibilities:

- Lead timber development and waste survey crews
- Q/A Timber Development (recce, layout, cruising, SPs)
- Q/A Waste and Residue Surveys
- Sign off plans, reports, submissions
- Mostly home at night

Closing Date: open until position is filled.

Interested applicants are requested to forward their resumes to: t.smith@silvatech.ca
We thank all those who choose to respond to this posting. Only applicant's whose resumes closely match the qualifications listed, will be contacted for further dialogue.
