Employment Opportunity – Forest Professional

Silvatech Consulting Ltd., operating for 42 years, is a progressive developer of technological solutions in forest resource management. The Silvatech Group provides professional services in forest management, forest waste and residue management, resource inventories & mapping and climate change mitigation. Silvatech is accepting resumes for the position of **Sr. Forester or Forest Technologist** to oversee forest management operations in central BC. The position requires a senior Registered Professional Forester or Forest Technologist to supervise timber development and waste & residue assessments and associated report submissions in central BC. We are a family friendly company. The position is full-time based at **Prince George, BC**. We offer competitive remuneration and benefits commensurate with experience and responsibilities. Pay range from $40 – $50/hr.

Preferred Qualifications:

- BC Registered Professional Forester or Forest Technologist
- Timber development experience 5+ years
- Experience with road and block layout and CP applications
- Experience with site prescriptions, stream assessments, water crossings
- Timber cruising experience
- Experience with Waste and Residue surveys
- Efficient and safety conscious with field operations and equipment
- Good written and interpersonal communication skills in English
- Good people / team player skills
- A mature, flexible attitude
- Good computer skills
- Valid BC drivers license
- Level 1 First Aid, S100, ATV safety and Bear Aware training

Duties and Responsibilities:

- Timber development supervision
- Waste & residue surveys supervision and submissions
- Associated plans, reports and submissions

Closing Date: open until position is filled.

Interested applicants are requested to forward their resumes to: t dot smith at silvatech dot ca

We thank all those who choose to respond to this posting. Only applicant's whose resumes closely match the qualifications listed, will be contacted for further dialogue.
