

NOW HIRING

FOR THE 2024 FIELD SEASON

- Experienced Layout Technicians

WHO WE ARE

Silvicon Services Inc. is a well-established and successful forest management consulting firm. Our experienced and highly motivated forest management team has provided high quality, professional and technical woodlands services to forest licensees, government agencies, First Nations and individuals in British Columbia and Alberta since 1980. We offer a highly competitive wage, quality training and mentorship, and an excellent, supportive, and fun work environment.

WHERE WE ARE

Welcome to beautiful Smithers, British Columbia. Enjoy the high quality of life Northern BC has to offer in a vibrant mountain town of five thousand people. Engage yourself in world-class fly fishing, hunting, mountain biking, skiing, and hiking right outside your doorstep in the incredibly scenic Bulkley Valley. With all the amenities and diverse community one can find and need in a town of its size, Smithers is an opportunity to have a piece of the city in a small-town vibe.

WHO YOU ARE

You are independently motivated, physically fit, and thrive in a fast-paced team environment. You employ a strong work ethic, and good sense of humor. You enjoy working in the outdoors day in and day out, regardless of a downpour, blistering heat, or mind numbing cold. You aren't bothered by a swarm of mosquitos and black flies, in fact, it might even increase your focus while collecting field data. You learn quickly, are career driven and strive for outstanding production. You may also be looking for a change in scenery, in your work or lifestyle.

Experienced Layout Technicians

WE ARE LOOKING FOR

Job Duties:

- ✓ Complete block and road layout for ground-based and cable systems in a variety of terrain and forest ecosystems
- ✓ Crew supervision and management of various Timber Development Projects for various clients
- ✓ Practice diligent stewardship in all aspects of your work as it relates to values on the landbase
- ✓ Provide training to junior level staff in all aspects of Timber Development
- ✓ Office work including road designs, mapping, site plans, data analysis, contract management, etc.

Job Requirements:

- ✓ 3 or more years of demonstrated experience as a layout technician in both field and office related tasks
- ✓ Ability to work away from town when required, though anticipated to be minimal
- ✓ Experience working on BCTS multi-phase contracts considered an asset
- ✓ Valid Class 5 Drivers license

Compensation

- ✓ \$30-35/Hr wage, benefits package after 3 months, annual bonus, RRSP contributions, flexible time off, and more!

** APPLICANTS WITH LESSER EXPERIENCE ARE ALSO ENCOURAGED TO APPLY

Are **YOU** who we
