

NOW HIRING FOR THE 2023 FIELD SEASON

**WHO
WE ARE**

Silvicon Services Inc. is a well-established and successful forest management consulting firm.

Our experienced and highly motivated forest management team has provided high quality, professional and technical woodlands services to forest licensees, government agencies and individuals in British Columbia and Alberta since 1980. We offer a highly competitive wage, quality training and mentorship, and an excellent, supportive, and fun work environment.

**WHERE
WE ARE**

Welcome to beautiful Smithers, British Columbia. Enjoy the high quality of life Northern BC has to offer in a vibrant mountain town of five thousand people. Engage yourself in world-class fly fishing, hunting, mountain biking, skiing, hiking and paddling right outside your doorstep in the incredibly scenic Bulkley Valley. Relish in an abundance of local produce, meats, baking, crafts and musical talent at the Farmer's Market, restaurants or in the abundant shops downtown.

**WHO
YOU ARE**

You are independently motivated, physically fit, and thrive in a fast-paced team environment.

You employ a strong work ethic, and good sense of humor. You enjoy working in the outdoors day in and day out, regardless of a downpour, blistering heat, or mind numbing cold. You aren't bothered by a swarm of mosquitos and black flies, in fact, it might even increase your focus while collecting field data. You learn quickly, are career driven and strive for outstanding production.

WE ARE LOOKING FOR

Silviculture Forest Professionals
