

Registered Professional Forester

Based out of Duncan, BC, Silvifor Resource Consultants is a dynamic, silviculture consulting group operating on Southern Vancouver Island. We are seeking a highly motivated individual who is looking to gain experience and become a part of a team responsible for managing approx. 175000 ha of Private Forest land, from the post-harvesting phase to Free Growing. This is a full-time permanent position that would require you to live close to Duncan on Vancouver Island. As a Forester you will be involved in a broad spectrum of activities:

- Reforestation plans
- Post-harvest assessments, debris management activities, and slash burning.
- Roadside maintenance and deactivation
- Silviculture surveys
- Information Management, GIS
- Conduct survival, stocking and brushing surveys.
- Tree planting project management.
- Browse protection and invasive species management.
- Fire Protection
- Provide leadership in safety and environmental stewardship by demonstrating and ensuring adherence to company safety and sustainability processes and procedures.

Requirements:

- Registered, or the ability to be registered as a professional forester.
- Ability to work independently.
- Possess a valid Class 5 driver's license.
- Previous experience in the silviculture sector of forestry.
- Must be physically fit, organized, and able to communicate effectively.

Closing Date: April 30th, 2023

Starting Wage: \$32

Please submit your resume and cover letter with confidence to silviforsafety@gmail.com
