

A step in the right direction!

We have an exciting opportunity for a **Forestry Manager** in Central BC!

About Us

Sinclar Group Forest Products Ltd. is an integrated wood products manufacturing company with operations throughout north-central British Columbia. Since 1962 the dedicated team at Sinclar Group has been building strong and stable businesses by encouraging leadership and innovation in our workforce, upholding the family values that framed our beginnings, and respecting the needs of the communities in which we all live and work.

Working with integrity is fundamental to the Sinclar Group of Companies. The health and safety of our employees, our commitment to responsible environmental stewardship, ethical dealings with our business partners, and contributing to the economic and social fabric of the communities in which we operate define the essence of who we are.

While our focus is meeting the needs of our customers, our success is driven by our people.

The Opportunity → Forestry Manager

Reporting to the General Manager Woodlands, the **Forestry Manager**, as part of the Sinclar Group Woodlands team and team leader of the forest planning group, will have a strategic focus on long term fibre supply for the Sinclar Group. In this role, you will oversee current and future tenure agreements, foster First Nations and community relations including benefits and partnership agreements, be responsible for financial analysis of respective fibre supply plans and agreements. The woodlands team arranges fibre supply for Lakeland Mills in Prince George, Apollo Forest Products in Fort St. James and Nechako Lumber in Vanderhoof.

With demonstrated professionalism and a steadfast commitment to safety as a priority, you are detail oriented and possess excellent communication and organizational skills. An experienced forestry professional, you deliver business results under pressure, influence and build relationships, communicate effectively and prioritize multiple projects and tasks.

As the successful candidate, you are a Registered Professional Forester (RPF) or Registered Forest Technologist (RFT) with the Association of BC Forest Professionals (ABCFP). Ideally, you will have at least 10 years of well-rounded forestry background with field operational experience; demonstrated supervisory and management skills and a keen appetite for career development, personal growth and achievement.

This position can be based in any of the communities in which we operate, and you must possess valid driver's license and be willing to travel between the various operations.
