

Looking for a place to expand your career in Forestry, Natural Resources, and Indigenous Culture? Skeetchestn Natural Resources LLP is interested in your story. We manage Skeetchestn Territory, on behalf of Skeetchestn Indian Band, for all values equally in collaboration with our partners. Our staff contribute to all phases of land and resource management within Skeetchestn Territory.

We need your help to reach our goals and will support you in your personal and professional development along the way. This full-time position is flexible to allow you to live in the City of Kamloops or surrounding area.

The Forestry Operations Supervisor will mentor under the Forestry Department Lead to complete variety of duties including:

1. Forest License obligations,
2. Cutting authority development,
3. Contractor supervision,
4. Reforestation and restoration projects,
5. First Nation Woodland License management.

The Forestry Operations Supervisor will bring skills that create a good fit with all departments at SNR including:

- Cultural Heritage,
- Wildlife,
- Environment,
- Range,
- Fisheries,
- GIS,
- Emergency Management.

The Forestry Operations Supervisor will bring key attributes:

1. Good communications, diligence, flexibility, problem solving,
2. Committed to safe work practices and documentation,
3. Respect for Secwepemc culture.

The Forestry Operations Supervisor will have the minimum qualifications:

- University degree in Natural Resource Science or Forestry,
- Registered Professional Forester for 4-8 years,
- Class 5 driving license and clean abstract.

Pay Range:

- The expected starting salary range for this position is \$80400 to \$92400 per year,
- Company benefits package,
- Company pension package,
- Company vehicle provided for work and travel to office,
- Opportunity to work up to two days per week remotely.
