

**STRATEGIC**  
NATURAL RESOURCE CONSULTANTS

# It's your time to lead.

## Now Hiring: Regional Manager

Come join our management team in our **Prince George** location.

Since 2003, Strategic Natural Resource Consultants has been delivering professional services across BC. With over 150 staff across six offices practicing in disciplines such as biology, forestry, geomatics, engineering, technology and business, we manage a diverse array of projects for a variety of clients.

Working with the Vice President of Operations, you will lead and grow a team of professionals as we deliver our business in Natural Resource Management & Planning in the Forestry, Energy, Mining, Transportation and Environmental Protection sectors.

### Things we are looking for:

Education in a natural resource discipline: Forestry, Resource Management, Business or related.

Experience in the resource sector: Biology, Forestry, Environmental Management, or related

Leadership capacity: We are looking for someone with the ability to lead multiple priorities with people first focus.

### Role Strengths:

**LEADERSHIP EDUCATION TEAMWORK  
GROWTH DRIVE BUSINESS CREATIVITY  
EMOTIONAL INTELLIGENCE  
CONNECTIONS**

Strategic Natural Resource Consultants is an Employee Owned (ESOP) company.

**LEAD** a team of 15+ natural resource professionals with diverse backgrounds. Our people are experienced, enthusiastic, educated and dedicated to our purpose of serving our crew, our clients and our communities.

**BALANCE** sustainable development with environmental conservation from remote rural locations to reclaimed industrial sites to new urban development.

**CULTIVATE** both the talent and the opportunities to deliver world-class environmental services from the site level to the landscape level in the places we live work and play.

**APPLY** your scientific, technical and professional skills as part of various project teams in areas such as timber development, resource road engineering, harvesting planning, and forest operations management.

**STRENGTHEN** your business management skills in leadership, teamwork, human resources, finance, planning, and project management.

A proud member of

Canadian Council for  
**ABORIGINAL  
BUSINESS**
