

STRATEGIC

NATURAL RESOURCE CONSULTANTS

JOB OPPORTUNITY

Wildfire Management & Prevention Specialist

\$30/hr+ based on experience and designation

The Location!

Willing to support a remote working set up.

The Company!

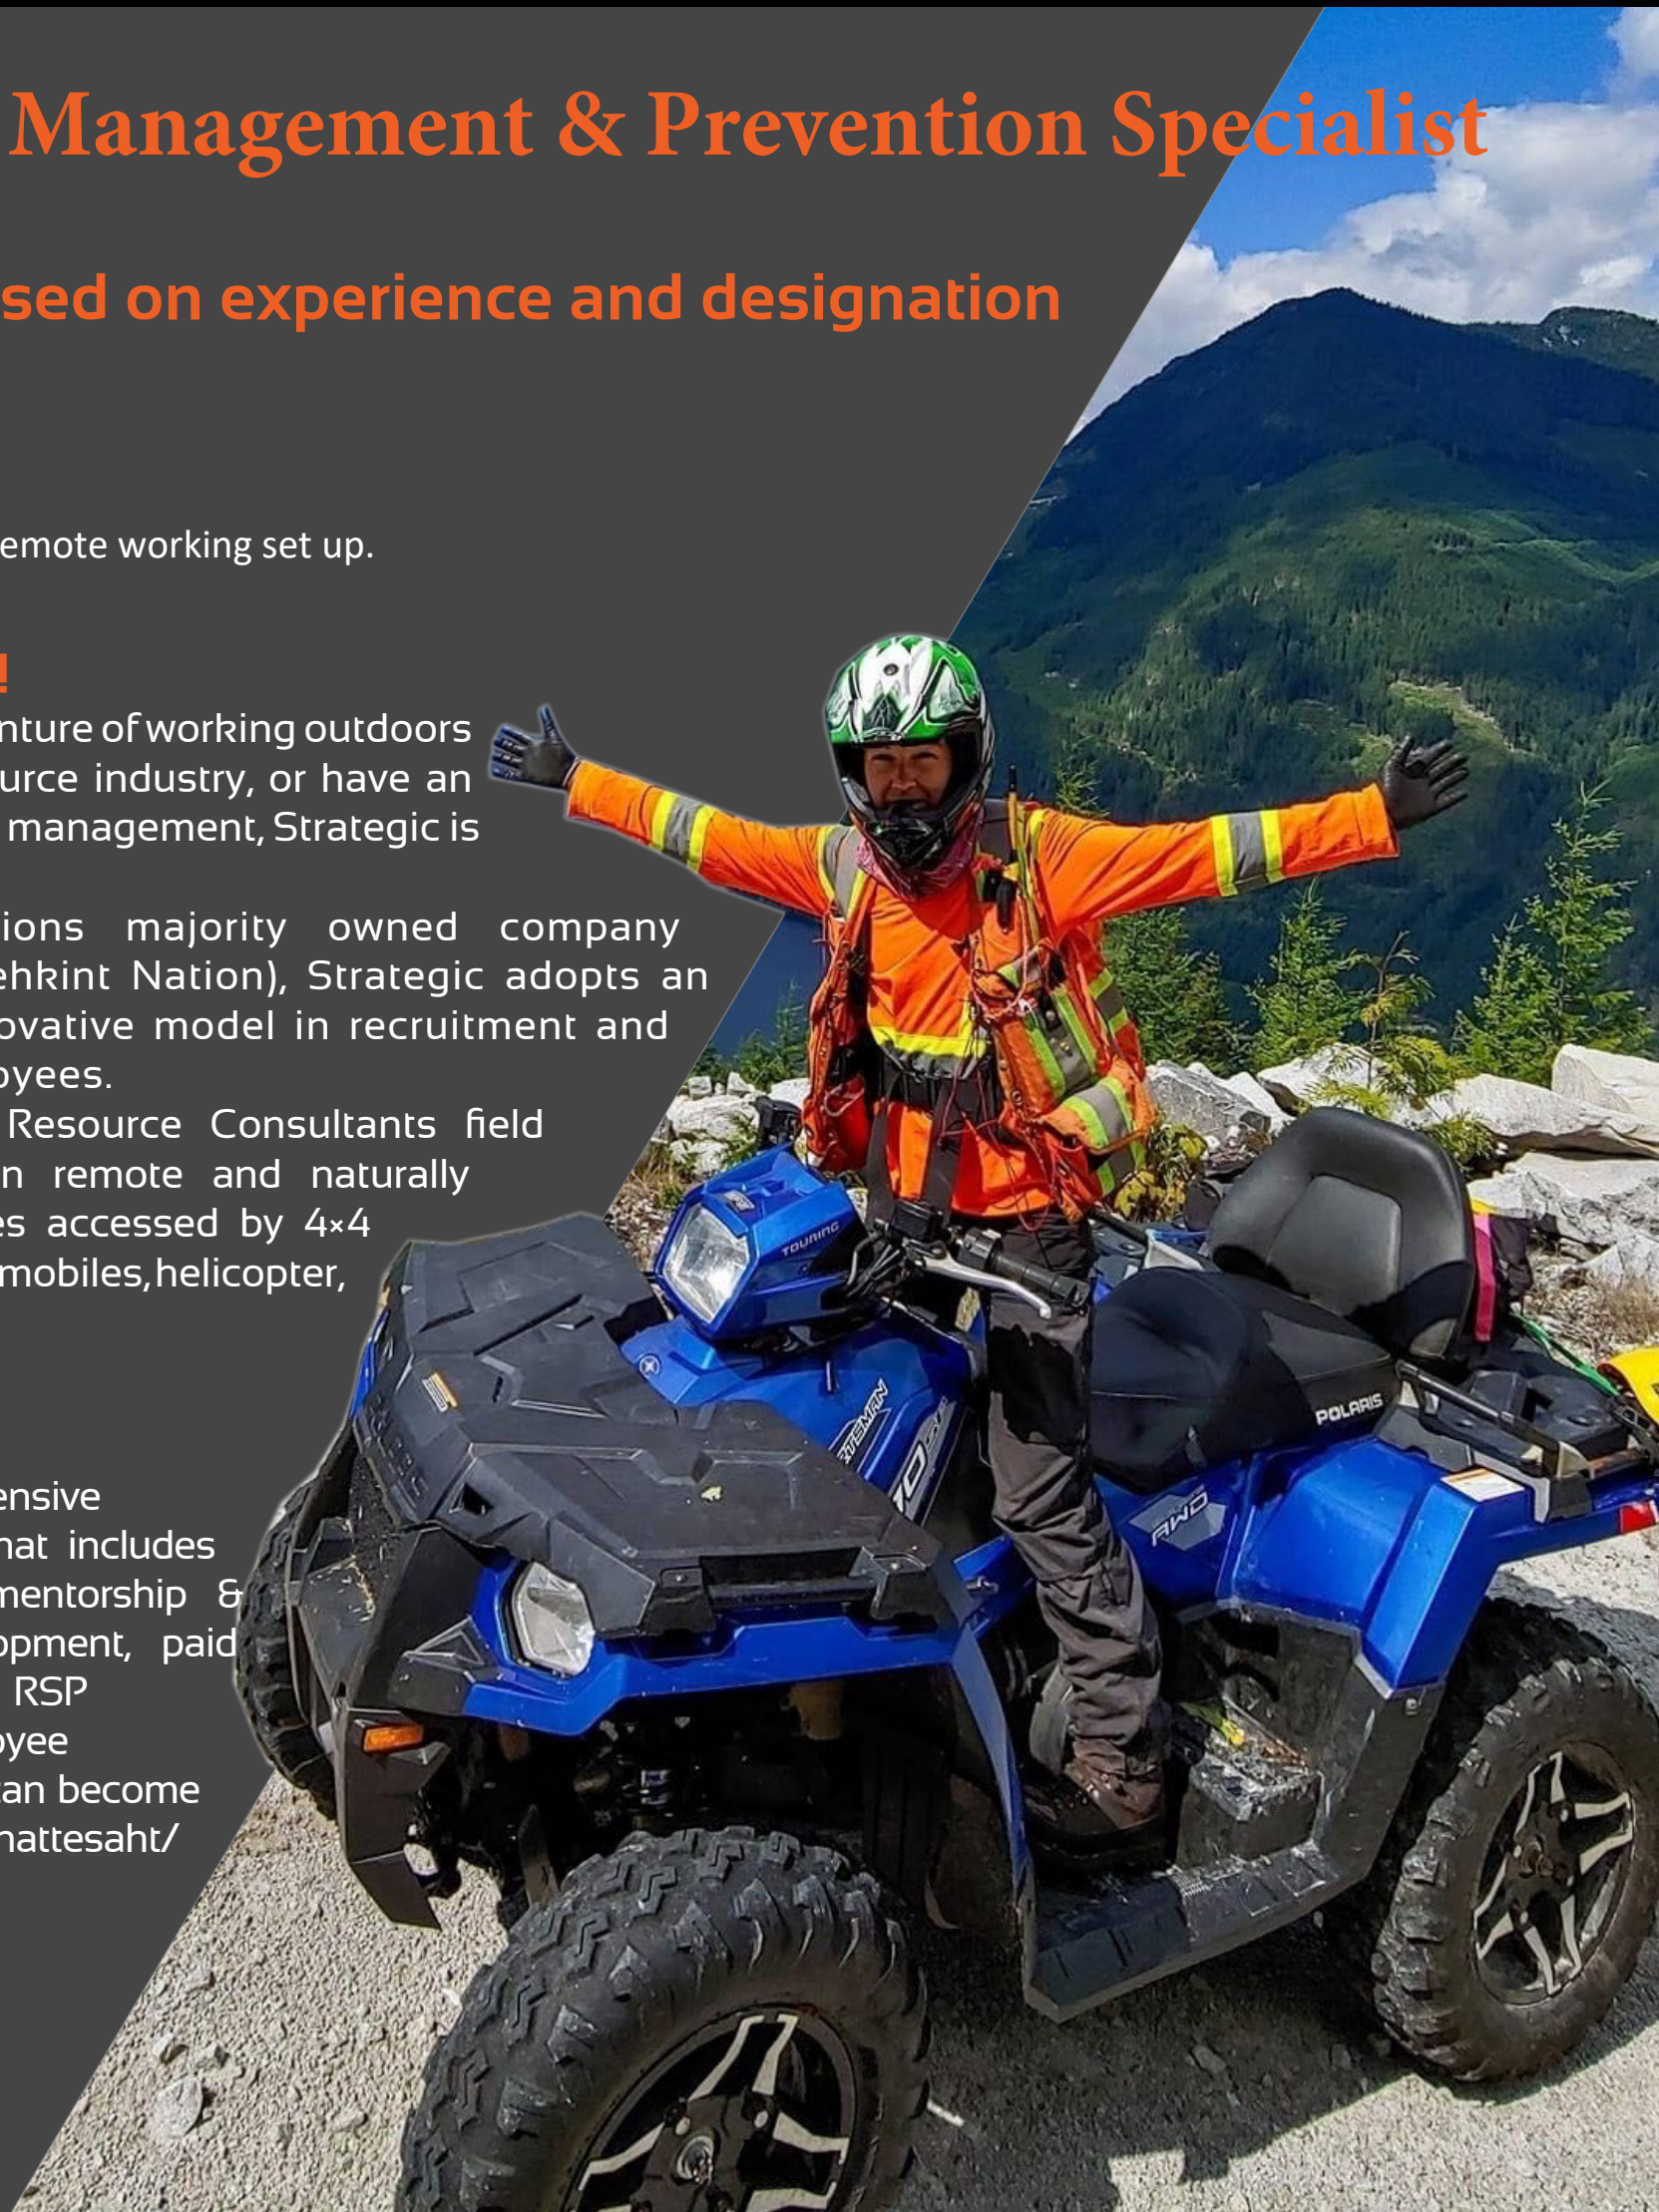

If you love the adventure of working outdoors in the natural resource industry, or have an aptitude for project management, Strategic is the place for you.

As a First Nations majority owned company (Ehattesahk Chinehkint Nation), Strategic adopts an inclusive and innovative model in recruitment and retention of employees.

Strategic Natural Resource Consultants field locations are often remote and naturally beautiful work sites accessed by 4x4 trucks, quads, snowmobiles, helicopter, and boat.

The Perks!

We offer a comprehensive benefits package that includes health & dental, mentorship & professional development, paid professional dues, RSP matching and Employee Ownership so you can become invested in the Ehattesahk/Strategic family.
