EMPLOYMENT OPPORTUNITY!

Position Title: Forest Technicians / Forest Field Assistants
Employer: TDB Consultants Inc.
Department: Forestry

Location: Prince George, B.C.
Job Type: Seasonal, Full Time

Company Background:

TDB Consultants Inc. is a resource management company providing contracting and consulting services to the resources sectors. TDB specializes in providing Land Management, Geomatics, and Engineering services for the Forestry, Mining, Vegetation, Oil and Gas, Renewable Energy, and Government sectors. Providing quality, customized and innovative solutions to the natural resource community for over 30 years, TDB has built a reputation based on integrity, consistency, and excellence.

Corporate Culture:

Our team members are driven and passionate about achieving TDB's goals. We strive to foster a collaborative and results oriented culture focused on delivery. We value safety, communication and leadership skills in addition to a passion for innovation and strong technical skills.

Position Summary:

The Forest Technician is responsible for providing technical expertise and support to project teams in all aspects of multiphase timber development as well as data collection, data recording, and land navigation.

The Forestry Field Assistant is responsible for supporting project teams in all aspects of multiphase timber development by assisting other forestry professionals with land navigation, data collection and data recording.

These are hands-on position with primarily fieldwork responsibilities. Work is located throughout Northern BC and will involve a mix of town and camp work; shift work in remote locations will be required. Crews will be subject to diverse terrain and weather conditions.
