

Job Title: Forestry Technician (Cutblock Layout Focused)

Location: Slave Lake, Alberta

Company: Since 1999, Timber Contracting has been a trusted partner to the resource industry in Central and Northern Alberta. Renowned for efficiently delivering high-quality services, we have built a strong reputation for reliability and excellence.

Job Type: Full-Time

Job Description:

Timber Contracting is seeking a dedicated and skilled Forestry Technician to join our team. In this role, your primary responsibility will be in the field designing and laying out cutblocks throughout Central and Northern Alberta. Your expertise will contribute to operational efficiency and environmental protection while adhering to Alberta's Operating Ground Rules.

Responsibilities:

- Develop and implement detailed cutblock layouts, including the arrangement of roads, harvested areas, and boundaries.
- Conduct field assessments to gather data on forest conditions, topography, and ecological features.
- Identify and mitigate potential risks such as slumping, slopes, and erosion.
- Ensure compliance with local, provincial, and federal forestry regulations.
- Prepare reports and documentation related to laid out cutblocks.

Qualifications:

- RPFT, RFT, FIT, FTT preferred.
- Proven experience in cutblock layout or similar role.
- Strong communication and teamwork abilities.
- Physically capable of working outdoors in challenging environments.
- Strong understanding of forestry principles, biodiversity conservation, and environmental regulations.
- Proficiency mobile GIS apps such as Field Maps and Avenza.

- Effective and clear writing skills.
- Valid driver's license and willingness to travel for fieldwork.

Benefits:

- Competitive compensation based primarily on production-based pay.
- Accommodation assistance is provided and may vary depending on the project.
- Opportunities for professional development and career advancement.

How to Apply: Interested candidates are invited to submit their resume and cover letter to Shane.Krupinski@gmail.com by **March 15th, 2025**. Please include "Forestry Technician " in the subject line.
