

RESOURCE EMPLOYMENT OPPORTUNITIES

Foresters, Forest Technicians and Field Crew (Multiple Positions)

If your goal is to work in a great place with a great team, you could be who we're looking for. You:

- Are smart, motivated and mature, with a solid work ethic and a good sense of humour
- Enjoy a physical challenge (it's not all flat out there!)
- Are not overly bothered by adverse conditions (we do work outdoors after all)
- Want to work for an employer who cares about you
- Want to live in the best place in the world (Smithers – Google it)

If that's who you are, send us a resume.

Tyhee Forestry Consultants Ltd. is located in beautiful Smithers, BC. We have been a full service provider of technical and management services to the resource industry in northwestern B.C. for 30 years.

Check us out at www.tyhee.ca.

We do:

- Timber development (road & block layout, timber cruising)
- License management, planning and administration
- Silviculture, forest health and other surveys
- Work alongside associated professionals; archaeologists, biologists and engineers
- Lots of other cool stuff that goes along with these things

We help employees reach their career goals through rock solid experience and mentorship

We offer a competitive wage and benefits package and gear allowance.

Send a cover letter and resume via email to peter@tyhee.ca
