

Forest Professional Smithers BC

Tyhee Forestry Consultants Ltd. is located in beautiful Smithers, BC. For 30 years we have provided technical and management services to the resource industry.

Our Mission: To provide value to our clients and employees while practicing sound resource stewardship.

Our Values:

- Supporting out client's stewardship goals by delivering outstanding quality
- Encouraging a safe and positive team atmosphere
- Approaching every task with professionalism and efficiency
- Supporting our employee's goals through mentorship and technical skill development

Smithers sits between the Babine Mountains and Hudson Bay Mountain, on the world famous Bulkley River. This picturesque community is a great year round base for outdoor activities. It's well-known for fishing, hunting, golfing, white water, skiing and snowmobiling. Smithers features great restaurants, shops, galleries, museum and friendly people. There's something here for everyone.

Why Tyhee?

- Work in a smaller company where what you do really matters to the greater good of natural resource management
- Live, work and play in the beautiful Bulkley Valley
- Flexible work schedules, a diverse and inclusive workplace, with opportunities for professional development.
- Above average pay, health and benefit plan .
- Continued training and mentoring to help you grow your skillset and career.

Who we're looking for?

Tyhee is looking for a Forest Professional that will be part of our small fun team to meet our clients resource stewardship goals. The ideal candidate will have a background in forestry, a love of the outdoors an awesome attitude and sense of humour.

What will you do?

As a Forest Professional you will be involved in a variety of projects around the Bulkley Valley and Northern BC.

- Managing projects through completion
- Staff supervision and quality assurance
- Client and MoF communications and liaison
- Field work in all phases of development projects; riparian and ecosystem assessment, recce, layout and timber cruising
- Client and Ministry communications and liaison
- Permit preparation including site plans and appraisals.
