

# Intermediate and Junior Forestry Engineer Opportunity

## Vancouver Island Forest and Marine Group

### WHO WE ARE

We at Vancouver Island Forest and Marine group (VIFM) are pleased to announce that we are looking to hire in our engineering department. We are looking to add key members to our team to provide the continued high-quality product our clients have grown accustomed to. Currently VIFM is operating on Vancouver Island and a variety of locations on the coast of BC. VIFM offers diverse experience opportunities from engineering to operations and believe in training their staff to suit their interests and desired career paths. We are looking for individuals who would be interested in working in a camp style situation. VIFM offers salaried or hourly employment based on the employees needs, along with flexible working schedules, benefits and growth opportunities.

### POSITIONS AVAILABLE

Junior and Intermediate Engineers

Preference will be given to applicants who can demonstrate the following:

- Good team communication skills
- Ability to problem solve in stressful situations
- Adequate physical fitness
- Willing and able to work in a camp situation on shift work
- Knowledge of and ability to use Microsoft Word and Microsoft Excel applications
- Willingness and ability to deliver a sustained high level of product to our clients
- Knowledge of GPS traversing and data collection considered an asset

### CONTACT INFORMATION

Please submit your resume to [Jobs.VIFM@gmail.com](mailto:Jobs.VIFM@gmail.com). Only applicants who have been short listed will be contacted.
