THE COMPANY

West Coast Timber Consultants Ltd. (WCTC) is a consulting firm specializing in the Management of Natural Resources, based out of Courtenay, BC. The company was established on the basic principle of providing clients with high quality management services within the natural resource sector. We are currently seeking full time field staff to meet our client's goals.

Location –Gold River/Campbell River, BC

Position –Field Engineers

Career opportunities for individuals looking to expand on their professional development. You will assist with the completion of a variety of full-phase timber development activities for 150,000m³ annually on Vancouver Island. Field work is physically demanding with exposure to all types of weather and ground conditions. Some camp may be required.

Primary responsibilities include:

Actively participate in field activities related to engineering layout, mentoring of junior crewmembers and safety program implementation.

Preparation of the various plans and assessments associated with cutblock development including: Site Plans, Harvest, Road, Silviculture and Deactivation Instructions, Cutting Permit Submissions, Road Permit Submissions and related engineering projects, and preparation of other applications as necessary. Adherence to company safety and environmental processes and procedures

Qualifications:

The ideal candidate will possess excellent communication and organizational skills, post-secondary education, strong team player and have a solid coastal engineering and timber development background with a minimum of 1 season of coastal experience in road layout and design, harvest planning for ground-based, cable and helicopter systems, and completing associated documents and mapping.

Valid BC driver's license and 1st Aid & Transport certification

We offer a competitive wage with a comprehensive benefit package including bonus incentives.

Application:

If you are ready to take the next step in advancing your career, please forward your resume and cover letter to: [mailto: Andy_westcoasttimber@telus.net](mailto:Andy_westcoasttimber@telus.net), attention Andy Flynn.

Past applicants are encouraged to re-submit their resumes. Only shortlist applicants will be contacted
