THE COMPANY

West Coast Timber Consultants Ltd. (WCTC) is a consulting firm specializing in the Management of Natural Resources, based out of Courtenay, BC. The company was established on the basic principle of providing clients with high quality management services within the natural resource sector. We are currently seeking full time field staff to meet our client's goals.

Positions - Contract Supervisor, Senior Engineers, Assistant Engineers

These exciting career opportunities for individual looking to expand on their professional development with exposure to a diverse and complex forestry operation. Work will be based throughout Central & Northern Vancouver Island. Field work is physically demanding with exposure to all types of weather and ground conditions. Valid Driver's License & Level 1st Aid with Transport Endorsement required.

Contract Supervisor:

Primary responsibilities include Client liaison, project management, daily supervision of crews, developing specific goals and plans to prioritize, organize, and accomplish your work to meet the needs of multiple clients. Quality Control of road and cut block layout, cutting permit appraisal data preparation, road designs, bridge design, construction and maintenance supervision, deactivation plan preparation and contract supervision. Additional duties include crew supervision/training and safety program implementation. Minimum of 6 years at a senior level of coastal experience (gained in last 8 years).

Senior Engineers:

Post-secondary education, 3-5 years' experience (gained in last 5 years), as a crew supervisor. Coastal experience in road layout and design, harvest planning for ground-based, cable and helicopter systems, timber quality assessment, crew supervision, coordinating professional assessments and completing associated documents and mapping.

Assistant Engineers:

Post-secondary education, 1-year coastal engineering experience, knowledge of forest engineering and timber development, including harvest planning and GPS data collection.

We offer a competitive wage with a comprehensive benefit package. If you are looking for a change or ready to take on a new rewarding challenge and be part of a growing team of likeminded co-workers, please reply in confidence by forwarding your resume and cover letter with references to: **Andy_westcoasttimber@telus.net** Attn: Andy Flynn . Past applicants are encouraged to re- submit their resumes.

We thank you for your interest in working with us, however only shortlist applicants will be contacted.
