THE COMPANY

West Coast Timber Consultants Ltd. (WCTC) is a consulting firm specializing in the Management of Natural Resources, based out of Courtenay, BC. The company was established on the basic principle of providing clients with high quality management services within the natural resource sector. We are currently seeking full time Cruiser to meet our client's goals.

LOCATION – Courtenay/Campbell River/Gold River

Career opportunities for individual looking to expand on their professional development. Reporting directly to our Operations Manager, George Nohr, you will assist with completing a variety of full-phase timber development activities for **K'omok 1st Nation, BCTS and Western Forest Product (Campbell River and Gold River)**. You will be exposed to diverse and complex forestry operations throughout Vancouver Island. Field work is physically demanding with exposure to all types of weather and ground conditions. Some camp will be required.

THE POSITION - Head Cruiser

WCTC has a full-time opportunity for a Head Cruiser for all of our Forestry Operations. This position will be based out of Campbell River/Gold River. Travel and some camp work will be required; however, it is anticipated that most of the work will be local. As part of a dedicated operations team, the successful candidate will be involved in a range of forest inventory planning activities, including daily management of field crew, completing or assisting with daily timber cruising activities, submissions of appraisal data for cutting permits and client liaison. This will be a field position with an office component as required.

QUALIFICATIONS-

The ideal candidate will have the following:

- at least 5 years coastal cruising experience as head cruiser
- strong working knowledge of Heli layout and timber quality assessments
- an excellent understanding of the demands of coastal cruising
- familiarity with coastal engineering layout as well as have comprehensive knowledge of coastal cruising guidelines
- excellent communication and organizational skills
- well organized, physically fit, self-motivated
- valid BC driver's license and 1st Aid & Transport certificate
- Preference will be given to ATC, members registered, or eligible for registration, with the Association of BC Forest Professionals.

We offer a competitive wage with a comprehensive benefit package including company vehicle and other bonus incentives.
