THE COMPANY

West Coast Timber Consultants Ltd. (WCTC) is a consulting firm specializing in the Management of Natural Resources, based out of Courtenay, BC. The company was established on the basic principle of providing clients with high quality management services within the natural resource sector. We are currently seeking full time Senior Engineers to meet our client's goals.

Location – Vancouver Island-Campbell River

Position – Senior Engineer (2)

Career opportunities for individuals looking to expand on their professional development. You will assist with completing a variety of full-phase timber development activities.

You will be exposed to diverse and complex forestry operations throughout Northern Vancouver Island. Field work is physically demanding with exposure to all types of weather and ground conditions. Work will be base out of Campbell River.

Senior Engineer:

Primary responsibilities include Client liaison, daily supervision of crews, developing specific goals and plans to prioritize, organize, and accomplish your work to meet the needs of the client. Quality Control of road and cut block layout, cutting permit appraisal data preparation, road designs, bridge design, construction and maintenance supervision, deactivation plan preparation and contract supervision. Additional duties include crew supervision/training and safety program implementation.

Qualifications:

- 5-7 years of experience in operations planning with increasingly responsible roles;
- Post-secondary degree in Forestry or related degree in Natural Resource Management, and;
- Current accreditation or eligible for accreditation, with the Association of BC Forest Professionals (RPF);
- Applicants with less than required experience and/or accreditation may be considered.
- Valid BC driver's license and 1st Aid & Transport certification.

We offer a competitive wage with a comprehensive benefit package including company vehicle and other bonus incentives.

Application:

If you are ready to take the next step in advancing your career, please reply in confidence by forwarding your resume and cover letter to: [mailto: Andy_westcoasttimber@telus.net](mailto:Andy_westcoasttimber@telus.net), attention Andy Flynn.

Past applicants are encouraged to re-submit their resumes. Only shortlist applicants will be contacted.
