THE COMPANY

West Coast Timber Consultants Ltd. (WCTC) is a consulting firm specializing in the Management of Natural Resources, based out of Courtenay, BC. The company was established on the basic principle of providing clients with high quality management services within the natural resource sector. We are currently seeking full time field staff to meet our client's goals.

LOCATION – Vancouver Island - Gold River - Sr Eng (1) / Jr Eng (3)
Vancouver Island- Campbell River - Sr Eng (1) / Jr Eng (1)

POSITION:

Career opportunities for individuals looking to expand on their professional development. Reporting directly to our Operations Manager, you will assist with completing a variety of full-phase timber development activities. You will be exposed to diverse and complex forestry operations throughout Vancouver Island. Field work is physically demanding with exposure to all types of weather and ground conditions. Some camp will be required.

QUALIFICATIONS:

The ideal candidate will possess excellent communication and organizational skills, post-secondary education, strong team player. Have a solid coastal engineering and timber development background with a minimum of 5 yrs. & 1yr experience (gained in last 5yrs) of coastal experience in road layout and design, harvest planning for ground-based, cable and helicopter systems, timber quality assessment, crew supervision, coordinating professional assessments and completing associated documents and mapping. Additional duties include daily supervision/mentoring of junior crewmembers and safety program implementation. Valid BC driver's license and 1st Aid & Transport certification.

We offer a competitive wage with a comprehensive benefit package including company vehicle and other bonus incentives.

Application:

If you are ready to take the next step in advancing your career, please forward your resume and cover letter to: <mailto:wctc@cablerocket.com>, attention Andy Flynn.

Past applicants are encouraged to re-submit their resumes. Only shortlist applicants will be contacted.
