

West Fraser

West Fraser is a leading diversified North American forest products company, listed on the TSX. Rated as one of Canada's Top 100 Employers for six years, we are a growing company looking for talented people to be part of our team. Our investments in modern, competitive manufacturing facilities, product innovation and bioenergy are adding up to a bright future. Are you interested in working for a company that offers an excellent work environment and a rewarding career path? The Woodlands team in Fraser Lake, BC has an opportunity for a motivated:

OPERATIONS SUPERVISOR

Description:

Reporting to the Operations Superintendent, the Operations Supervisor will be part of a team with responsibilities for all aspects of forest operations. As an Operations Supervisor, you will be responsible to supervise logging, hauling and related operations and to ensure that production, quality, environmental and legal requirements are met in a safe and cost-effective manner. The work will involve contract management, contractor supervision, liaison with government officials, negotiations and the coordination of operations with other departments.

Requirements:

The ideal candidate will be registered as an RPF or RFT with the ABCFP, or be eligible for registration, with several years of forestry or operations experience and a good understanding of applicable legislation and regulations in BC. This position requires a dynamic individual with a strong interest in forest operations and excellent organization, communication and the desire to work with modern technology.

West Fraser is currently looking for individuals who are interested in a full time, long-term career. We offer an excellent compensation package including: a competitive salary, excellent benefits, an outstanding defined benefit pension plan. Safety is one of West Fraser's core values and our employees can expect a rewarding, stable work environment with excellent career development opportunities. Recent upgrades to the sawmill and the construction of a new bio-energy facility, highlight West Fraser's ongoing commitment to maintaining Fraser Lake Sawmills as one of the leaders in the forest industry.

Located in the Nechako Valley Region of BC, the communities of Fraser Lake and Vanderhoof offer excellent year round recreational opportunities, great medical and educational facilities. For more information, please visit: www.fraserlake.ca or www.vanderhoof.ca

If this position sounds like the start of a career for you, submit your cover letter and resume at www.westfraser.com/jobs click "apply now" in green at the top of the page.

We thank all candidates for their interest, only those selected for an interview will be contacted.
