

Forestry Project Supervisor

project diversity, career advancement, flexibility

THE JOB

This exciting career opportunity is based in beautiful Terrace, BC, a fun and family-oriented community, with many local amenities and access to an abundance of outdoor activities including incredible fishing, skiing, and hiking, to name a few. This engaging position includes opportunities to work in the Energy and Forestry fields, the possibility of career advancement, and mentorship from senior management. **Much of our work is local, so if you love being in the woods, but are tired of camp life or constant travel, this may be a great fit for you.**

AT WESTLAND

Westland Resources has worked throughout Northwest BC on a diversity of natural resource management projects, including the Energy and Forestry fields for over 15 years. Our services cover the spectrum from strategic advice through development and permitting and on to operational implementation and post-project supervision. Our clients include First Nations, energy corporations, forest licensees, and all levels of government.

RESPONSIBILITIES

As Forestry Project Supervisor, you will:

- **Lead** forest development activities such as road and harvest system layout, design and mapping, cruising (coastal and interior), waste and residue surveys, and permitting
- **Support** the preparation and implementation of plans for forestry activities, pipeline clearing, and/or community wildfire protection
- **Mentor** junior staff
- **Build** client capacity

QUALIFICATIONS

You are:

- **Well-rounded** with solid experience in forest road and cutblock layout (cable and ground systems), cruising and waste & residue surveys, ideally with 5 or more years' experience
- **Experienced** with GPS technology and competent in RoadEng™, ArcMap™, and Microsoft Office™ applications
- **Knowledgeable** about - and ideally experienced with - forestry permit preparation and processes
- **Team-oriented self-starter** looking for diversity and career growth
- **Quick and adaptive** learner that enjoys working in the woods
- **Open and positive** with clients and government agencies

It would be great if you are registered (or eligible to register) with the Association of BC Forest Professionals.

Westland Resources offers competitive wages and a comprehensive benefits package, including profit sharing.

Attitude is just as important as experience: we take great pride in the work we do and in contributing to the success of our clients. We are a SAFE Certified company.

If you'd like to work with us, please email your resumé and cover letter with a summary of qualifications and experience to WLR@westlandresources.ca.

We thank all persons who apply; however, only those persons selected for an interview will be contacted.
