

FIELD CREW SUPERVISOR/ PLANNER

*project diversity, career advancement, flexibility
exceptional pay for exceptional candidates*

THE JOB

This engaging and exciting job provides hands-on and supervisory opportunities in the multifaceted fields of natural resource management, with career advancement potential.

The Field Crew Supervisor/ Planner will supervise and mentor staff, particularly in relation to forest development activities. As time and capacity permits, this position will also include the preparation and implementation of plans for forestry activities and infrastructure projects.

This position is based in beautiful Terrace, BC, a fun and family-oriented community, with many local amenities and access to an abundance of outdoor activities including incredible fishing, skiing, mountain biking and hiking. Most of our work is local, so if you love being in the woods, but are tired of camp life or constant travel, this would be a great fit for you.

AT WESTLAND

Westland Resources works throughout Northwest BC on diverse natural resource management projects in the Energy, Forestry, and Infrastructure fields. For almost 20 years our services have included strategic, tactical and operational advice; research and assessments; development and permitting; operational implementation, monitoring and supervision; economic and community development; and all-round problem solving. Our clients include First Nations, energy corporations, forest licensees, infrastructure developers, and all levels of government.

RESPONSIBILITIES

The Field Crew Supervisor/ Planner will:

- **Lead** forest development activities such as road and harvest system layout, design and mapping, cruising (coastal and interior), waste and residue surveys, and permitting
- **Lead** crew logistics and scheduling
- **Develop and Mentor** junior and intermediate staff
- **Lead or support** the preparation and implementation of plans for forestry activities, pipeline clearing, and/or community wildfire protection
- **Build** client capacity

QUALIFICATIONS

You are:

- **Well-rounded** with solid experience in forest road and cutblock layout (cable and ground systems), ideally with 10 or more years' experience.
(Experience in cruising, waste & residue surveys, and/or wildfire planning would also be an asset)
- **Experienced** with GPS technology and competent in RoadEng™, ArcMap™, and Microsoft Office™ applications
- **Knowledgeable** and experienced with forestry permit preparation and processes
- **Registered** with the Association of BC Forest Professionals
- **A team-oriented self-starter** looking for diversity and career growth, with an interest in management
- **A quick and adaptive** learner that enjoys working in the woods
- **Open and positive** with clients and government agencies

Westland will provide excellent pay for exceptional candidates. We also offer a comprehensive benefits package, including profit sharing.
