

## **Whitebark Environmental Consulting**

Whitebark Environmental Consulting is a small Forestry consulting company based out of Rocky Mountain House, AB that has been in operation for over 22 years. We specialize in providing forestry related field services to both industry and government clients in southwestern Alberta.

### **Employment Opportunity: Field Staff Position**

We are currently looking to fill 1 - 2 seasonal field staff position for the summer of 2021, starting early May. Projects will include a full range of silviculture surveys, PSP's, Planting Supervision/QC and may include other reforestation/forestry related work.

As this is a field position, candidates must be physically fit and be willing to work outdoors in all weather conditions. Preference will be given to applicants with experience, but as this is an entry level position, training may be provided to the right candidate with less experience.

The office is based out of Rocky Mountain House but during the summer/fall season remote camp work throughout Southern Alberta will be required. Food/accommodations are provided while in field camps and may be available in Rocky for this position. Camp duties are shared.

### **Preferred qualifications:**

- Forestry background (through schooling or experience)
- GPS/GIS experience (ArcPad/Arcview)
- Current First aid certificate
- Valid drivers license and clean drivers abstract

Compensation will be commensurate with experience and ability.

If you have any questions in regards to or are interested in applying for this position, please submit your questions/resume complete with references and cover letter to:

[whtbark@gmail.com](mailto:whtbark@gmail.com)

or by mail to  
Box 512, Rocky Mountain House AB, T4T 1A4  
attn. G. Kelbert

Applications will be accepted until May 10th, 2021. Thank you for your interest. Only suitable candidates will be contacted, and ONLY residents of Canada will be considered.
