

2202 McGowan St.
Enderby, BC
V0E 1V2

Woodford Forestry Services Inc. is a growing company operating in the Okanagan and Shuswap areas. Enderby is centrally located between Vernon and Salmon Arm on the beautiful Shuswap River. We are looking for a highly motivated and skilled individual to fill the following positions:

Professional Forester:

The Professional Forester will provide leadership in a mentoring and technical capacity and provide high level skills to all aspects of forest development projects.

Required skills and experience.

- Registered as an RPF with the ABCFP.
- Provide excellent client relations.
- 5+ years of road and cut block layout experience, cable and steep slope harvesting layout experience an asset.
- Stand evaluation, volume, log product, and value estimation skills.
- Appraisal data information summary and collection.
- Site Plan data collection and summarizing. Experience with LRM an asset.
- Experience with Lidar, Road Eng and standard mapping applications.
- Excellent computer and technical writing skills.
- Crew supervision and quality assurance.
- Work independently and in crew environment with an attitude towards safety.

Senior Forest Technician:

The Senior Forest Technician will provide leadership, technically and personally, within forest development projects both new and ongoing. The successful applicant will take a lead role in all aspects of forest development projects.

Required Skills and Experience:

- 5+ years of road and cut block layout experience, cable and steep slope harvesting layout experience an asset.
- Stand evaluation, volume, log product, and value estimation skills.
- Crew supervision and quality assurance.
- Field and office duties related to full phase forest development projects.
- Work independently and in crew environment with an attitude towards safety.
- Timber Cruising experience an asset.
- Good computer and technical writing skills.
- Experience working with Lidar data and Road Eng.
- Registered with the ABCFP.

Timber Cruiser:

- Established as an ATC, ATE or registered with ABCFP with 3 years as head cruiser experience.
- Achieve production and quality goals in an efficient and safe manner.
- Have a working knowledge of Cruisemate, and GPS plot location techniques. Experience with Cruisecomp an asset.
- The ideal candidate will be highly motivated, have a safe work attitude, and a willingness to mentor junior staff.
- Valid Class 5 driver's licence.

WFS offers competitive wages, benefits and flexible environment allowing team members to balance their home / work life and grow as forest professionals.

All positions are available immediately and will remain open until filled.
